- And More!

8 tips that every security guard should follow

- 1. Review Your Course Materials**
This may be the last thing you want to do especially if you are newly qualified, but review all your course manuals to make sure you have it completely fixed in your mind.
- 2. Take Refresher Courses**
Be aware of any local refresher courses and ask your employer to send you on them. Attend and contribute in order to share knowledge with other experienced security guards.
- 3. Stay Fit & Healthy**
One of the most important aspects to being a security guard is to remain fit and exercise everyday. You never know when you might need to use your fitness to save yours or someone else's life.
- 4. Practice Self-Defense**
A good security guard will know self-defense techniques to a high standard. Practice when you can with a friend or work colleague so you can all upon such skills when you need to.
- 5. Know The Procedures**
Whenever you start work at a new security company, take time to read all their manuals and operating procedures. Get to know the building and surrounding area like the back of your hand.
- 6. Know Your Neighbourhood**
Know what is going on in your neighborhood. Read the local news so you can stay ahead of any security crime events in your working areas. Try to be one step ahead of any potential threats.
- 7. Read Your Manuals**
Read and study a security manual or text book every month.
- 8. Stay Focused**
Never make assumptions when on the job. A security guard has to maintain a professional perspective at all times when working. Everyone is potentially dangerous and it only takes a second for a person to cause you serious harm. Maintain your focus and be safe at all times.

Our sponsored team Wolves Sporting CFC are disappointed to see Andy Paddock step down as 1st Team Manager.

Sporting had this to say about their former manager

We cant thank "Wokko" Enough for everything he has done in the last 3 and a half seasons, He became manager half way through the 2014 / 2015 season with the club struggling in the relegation places and under his guidance Sporting climb the table to finish in 16th place to keep our step 6 status.

During the 2015/2016 season Sporting finished 4th in the WMRL Premier securing our 1st ever appearance in the FA Cup, Sporting also made it to The WMRL League Cup Final & J W Hunt Cup Final under Paddocks guidance that season.

Sporting improved further during the 2016 / 2017 season where a 3rd place finish was secured.

Paddock guided Sporting to a historic League & League Cup double this season which saw Sporting promoted to Step 5 for the 1st time in our short history
